

# KOC9C5T

<SPECIFICATION>

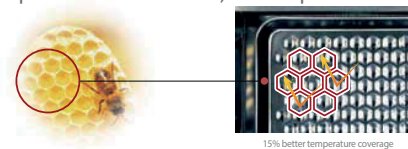

- 28 Litre (0.9 cu.ft.)
- Reminder End Signal
- 10 power control levels
- Power consumption : 1250W grill / 1250W convection
- 900W microwave output
- 5 Auto-cook menu
- Child Safety Lock
- 12.7 inches(325mm) turntable
- Steam Cleaning function
- Dimension (WHD) : 513\*311\*383 mm (product)  
: 577\*363\*442 mm (Packaging)
- Weight(Kg) : 16.5 (product) / 18.3 (packaging)

<Progressive Heating System>

<Honeycomb Cavity>

Honeycomb pattern cavity disperses microwaves for more even temperature distribution. In comparison to old models, 15% improved in cooking ability.

<Steam Cleaning>

Steam cleaning uses steam power to lift grease and grime from the cavity in just 10 minutes.

6mins. (Set working)

4mins. (Lifting grime)

Door open & Cleaning

Simply fill a mug cup or small bowl with water and, at the touch of a button, the steam cleaning process begins.
